

Dear Valued Customer,

We would like to thank you on behalf of the entire team at San Fang for taking the time to complete our AW25 catalog feedback.

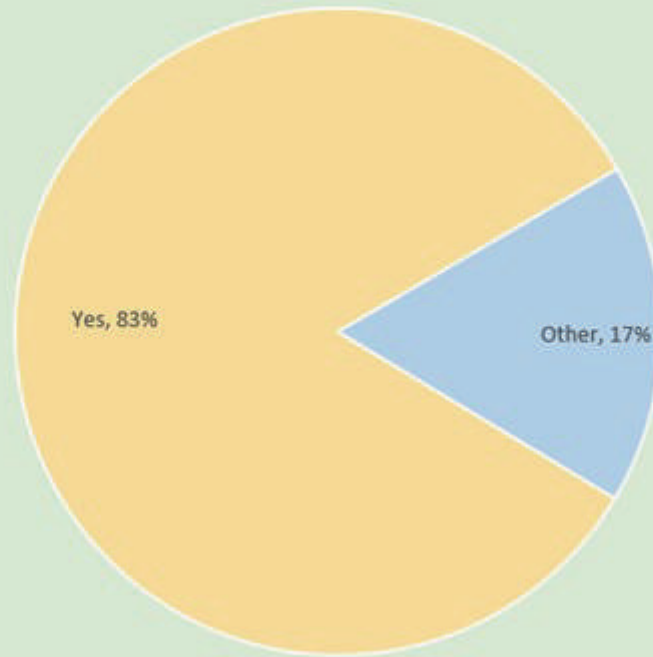

Your opinions and suggestions are a great encouragement to our design team!

To ensure that every voice is heard, and every suggestion is considered,

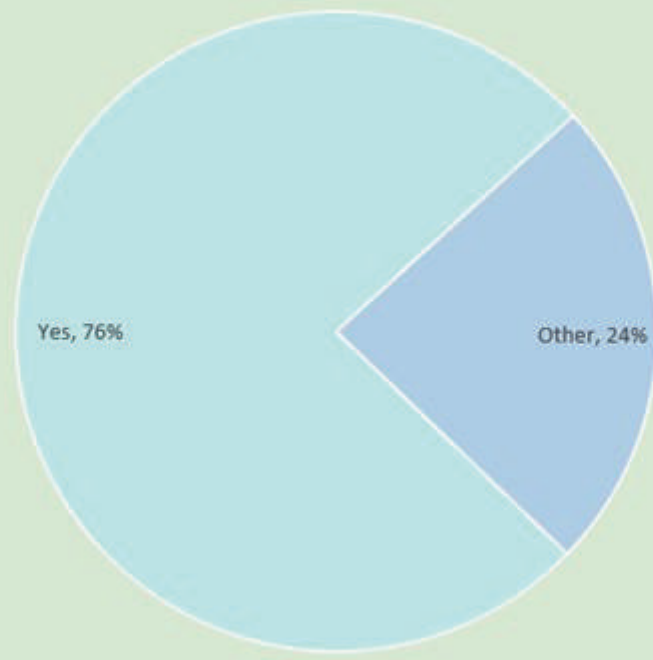

we are currently analyzing your responses to not only meet your expectations, but to also enhance our services and tailor our catalog to align closer with your company's vision for the next season.

Do the products in our seasonal catalog meet your trend and fashion needs?

Do the products in our seasonal catalog meet your sustainability requirements?

Your voice is a powerful tool that will help us continually evolve and adapt. At San Fang, we pride ourselves on our ability to stay ahead of industry trends and create products that set the industry standard.

Your trust in San Fang is what motivates us every day.

Your insights allow us to innovate and your faith in us inspires us to strive for excellence.

As we step towards the sustainable future, we are excited to see what's in hold for us and are deeply appreciative of having you with us every step of the way.
